## A Note From Tech San Diego:

Tech San Diego knows that many of the changes enacted in the wake of COVID-19 have been difficult to adjust to so quickly – especially for our university communities! In these rapidly changing times, we want you to know that Tech San Diego will continue to be committed to ensuring our university partners and student groups are well-connected to and well-informed about our local tech ecosystem. We're adjusting our programming and resources to better serve our students and faculty members in these new and quickly evolving circumstances, and we're excited to be working closely with you to help meet your needs as students and organizations. If you have any suggestions or if you are looking for a partner for online or virtual events, please reach out to Jarett Hartman at **jarett.hartman@techsd.org**.

## AI/ML Speaker Series: Claire Weston, Reveal Biosciences

We were honored to have Founder and CEO of Reveal Biosciences, Claire Weston, discuss how AI is integral to her company, how AI drives efficiency in pathology, and how AI is directly impacting healthcare. Click to hear her thoughts on the future of AI in pathology!

## Podcast: Jeremy Hogeda, ESET

On the most recent T3 Podcast, we welcomed Jeremy Hogeda, a Talent Acquisition Partner with leading cybersecurity company ESET! Jeremy discussed hiring, company culture, and employee benefits from his home office. If you're looking to get into Cybersecurity, this is a must listen!
